### Why Owls Have Big Eyes

By: Yordyn Ponce

Toucan asked Owl "How are you doing?" Owl said, "I'm doing fine!" Toucan said, "Why do you have big eyes?" Owl said, "Because at night I go find food with my big eyes and sleep during the daytime!" At night owl hears weird things. Snake, Polar Bear and Toucan know why Owl has big eyes. Owl said, "Don't tell anyone because then everybody would know!" Snake told so he did not like it. Owl said, "It is ok to tell some other animals but not everybody!"
